Accessibility

All conventional and Handi-Van vehicles are accessible and have the following:

- Low floor and kneeling capabilities, with ramps
- Digital sign and audio announcements for next stop information
- Allocated wheelchair spaces
- Passenger signal stop request
- High color contrast grab bars and stanchions
- Low glare, anti-slip floor covering
- Clearly marked priority seating

Priority Seating

Priority seating is for the use of passengers with a disability. These seats are located close to the front of the vehicle. Customers are

expected to respect and obey the purpose of the designated seating area, which means: if you are sitting in one of these designated seats, you **must** vacate the seat for a passenger with a disability.

Courtesy Seating

Courtesy seating is intended to provide additional seating for people who will benefit from having a seat near the front of the vehicle.
