Lost & Found

If you've lost or found an item on Burlington Transit, please email contactbt@burlington.ca or call us at 905-639-0550. When emailing, include the date, approximate time of travel and the route you travelled on.

Items are held at the downtown Transit Terminal (430 John St.) for a period of 30 days. Large and valuable items are held at Transit Headquarters.

Safety Tips

- Stand back from the curb when waiting for a bus, especially when a bus is approaching the stop.
- Never run for a bus. You may slip and fall or be hit by a vehicle.
- Leave the bus by the rear doors whenever possible (except when you ask for a Request Stop at night).
- Never walk directly in front of or behind a stopped bus, where drivers may not be able to see you. Wait until the bus moves away before you step into the street so that you can clearly see other traffic.
- Always obey traffic signals and cross the street at corners.
- Take your headphones off when crossing the street or getting off the bus to be sure you can hear the traffic around you.
- Keep knapsacks and large bags in front of you when getting on or off the bus. Knapsacks and bags have big, long straps that can easily get caught in doors and railings.
- Keep your arms, legs and head inside all transit vehicles.

Request a stop

Request Stop allows you to exit between bus stops after dusk and during poor weather. Please notify the driver in advance to allow sufficient time for a safe stop.

Accessibility

All conventional and Handi-Van vehicles are accessible and have the following:

- Low floor and kneeling capabilities, with ramps
- Digital sign and audio announcements for next stop information
- Allocated wheelchair spaces
- Passenger signal stop request
- High color contrast grab bars and stanchions
- Low glare, anti-slip floor covering
- Clearly marked priority seating

Priority Seating

Priority seating is for the use of passengers with a disability. These seats are located close to the front of the vehicle. Customers are

expected to respect and obey the purpose of the designated seating area, which means: if you are sitting in one of these designated seats, you **must** vacate the seat for a passenger with a disability.

Courtesy Seating

Courtesy seating is intended to provide additional seating for people who will benefit from having a seat near the front of the vehicle.
